SHINABURO
KOREAN EATING HOUSE

SOJU

Distilled beverage native to Korea, made from rice.

Its taste is comparative to vodka, but slightly sweeter and lower alcohol %.

Very popular and matches with any Korean food.

360ml 20% alc. \$22

CITRON/ PEACH/ STRAWBERRY/ APPLE MANGO SOJU

Best selling alcohol in Korea

It adds fruity flavor to SOJU and even lower alcohol %.

360ml 14% alc. \$23.5

BEK SE JU

Korean Traditional rice wine, is brewed with unique method and valuable 12 herbs. "Bek Su" mean 100 years old. It doesn't refer to the age of the wine but the health benefit this wine offers.

375ml 13% alc. \$25.5

CHUNG HA

Made purely from rice. Tastes similar to Japanese sake, but only easier to drink.

300ml 14% alc. \$22

MAK GEOLLI

Made from a mixture of wheat and rice, which gives it a milky colour and sweetness.

7% alc. \$13.0

SUL JOONG MAE (Plum wine)

Liquor made from steeping Korean plums (while still unripe and green) in Soju and sugar.

It has a sweet, sour taste, and alcohol content of 10 to 15%. The taste and aroma of this can appeal to those who normally don't drink alcohol much.

375ml 14% alc. \$24.5

BOK BUN JA (Black raspberry wine)

Fruit wine made from Korean raspberry.

The beautiful colour, its sour yet sweet taste stimulates your appetite.

375ml 15% alc. \$29.5
